Message From Our President February 20, 2006

"Don't bother just to be better than your contemporaries or predecessors. Try to be better than yourself."

William Faulkner

Hello Members,

It was great to see everyone at the February networking session. The discussions were active and many ideas were shared. We would welcome your feedback as to how you think the evening went and how the program was presented (Panelist format, etc.) The BOD is considering making it an annual event. Drop me an e-mail – we value your opinions.

Ditto on the 3-February seminar. What did you think about the timing of it? We moved it to February (vs. the usual May time-frame). Again, this entire organization is for your benefit. The BOD is doing their best to improve it and make it worth your time and effort. Please let us know how you felt it went.

March 2, 2006 Supplier Night

This event is around the corner. What we need the most from our members is your ATTENDANCE. The suppliers are paying for their tables, and it's a fund raiser for the organization. We owe them the respect of showing up. The Golden Corner's chapter will be co-sponsoring with us and we look forward to seeing their membership as well. It should be a great night.
